INSURANCE

TrustPoint is contracted with most major health insurance plans, including Medicare.

TO MAKE A REFERRAL

If you believe a person may benefit from our services please call 615-848-5755. A referral may be made by a physician, nurse, case manager, discharge planner, insurance representative, individual or family member. Our admissions liaison will contact both the referral source and the patient/family to schedule an onsite assessment. A visit to our hospital is the best way to appreciate the quality of our care, and can be scheduled by calling 615-848-5755.

TrustPoint Hospital provides inpatient physical rehabilitation and inpatient and outpatient behavioral health services for adults and seniors.

TRUSTPOINT HOSPITAL

INPATIENT PHYSICAL REHABILITATION SERVICES

It is particularly important for patients to be close to their support system of friends and family throughout recovery.

So why not recover close to home?

TrustPoint Hospital offers the only hospital-based rehabilitation service in Rutherford County. We have a large therapy gym with state of the art equipment, and an “activities of daily living area” which includes a kitchen and laundry. All of our spacious and comfortable patient rooms are private, with a large window, your own personal bathroom, a flat screen TV and complimentary wireless internet.

There is ample parking and we are close and easy to access - so your visits with friends and family will be enjoyable.

TrustPoint Hospital provides a warm, professional environment that fosters and expedites the healing process. Our goal is to help you meet and exceed your recovery goals.
